

## **AASBO/ Regions Procurement Card Program**

AASBO is pleased to announce our new sponsorship agreement with Regions Bank to provide a state-wide procurement card/ accounts payable solution program. This program not only will streamline your accounts payable process but will also provide annual cash rebates on all purchases. AASBO and Regions have teamed up to offer you a FREE way to control your cash flow and make the most out of every dollar you spend. Regions will provide an implementation team to help tailor the program to each school, get you up and running and an account executive to aid in helping you develop the program to its full potential. Several school districts across the state have already begun taking advantage of this program and will be glad to discuss it with you. For more information, please contact Anna Kittinger, Assistant Vice President, Regions Bank at [anna.kittinger@regions.com](mailto:anna.kittinger@regions.com) or 205/264-5040.
