The AASBO Local School Financial Management Certificate Program Continuing Education Webinars will be available until September 30, 2022. This program will offer 3 courses (9 hours). All sessions are pre-recorded so you can take the courses as your schedule allows. Participants will be able to take any or all courses and do not have to register for individual courses. All courses have several speakers and topics, so you do not have to sit through the entire course in one sitting. However, participants are required to take all parts of each course in order to receive credit for the three-hour course. Completion of each part will be verified by a checkout survey.

After registering for the course, you will receive a link to access the webinars in your confirmation email.
