Proposed Budget for Technology, Professional Development, and Library Enhancement

- ✓ The professional development and technology budgets must be consistent with the latest plans submitted to the SDE.
- ✓ Library enhancement budgets will be developed in consultation with the school's media specialists.*
- ✓ The proposed budget for each category of classroom instructional support (excluding **student materials** allocations) will specify the common items which may be purchased and the amount allotted for each teacher to spend.

March 4, 2019

Library Enhancement

- Although the teachers vote on how library enhancement allotments are to be spent, the librarian can only offer advice to the budget committee or subcommittee.
- However, two state laws state that these funds are for the library media center, not the classroom.

March 4, 2019

Approval by Teachers

- The proposed budgets will be submitted to teachers at an annual meeting.
- The annual meeting may be at the beginning or the end of a school year, or both.
- The teachers will have at least two work days to review the proposed budgets.
- The teachers will vote on the proposed budgets by secret ballot.

March 4, 2019

Approval of Proposed Budget

- A majority vote of the teachers voting at the school is required before any part of the proposed budget is implemented.
- A proposed budget that is not approved is returned to the budget committee for reformulation, taking into consideration the teachers' recommendations at the annual meeting.

March 4, 2019

Approval of Proposed Budget

- The revised budget proposed by the budget committee will be submitted to a secret ballot vote of the teachers.
- If the revised proposed budget is not approved by a majority vote of the teachers, the process will continue until a budget is approved.

March 4, 2019

Approved Budgets

- ✓ A report on the approved budget, utilizing SDE forms will be submitted to the local superintendent.
- ✓ Maintain all budget committee minutes, proposed budgets, revised proposed budgets, and the secret ballots for budget committee members, each proposed budget, and each revised proposed budget.

March 4, 2019

Timelines

- At least some of the individual teacher allotment must be made available for expenditure by December 1.
- The Legislative intent is that all of the allotment be made available for expenditure as soon in the school year as possible.
- Although reasonable deadlines to expend all of the allotment may be established, a teacher has until the end of the fiscal year to order items.

March 4, 2019

Timelines

- State law allows the expenditure of these funds to begin at the beginning of the school year even though the state funds will not be provided until the fiscal year.
- A reasonable deadline for expenditures, such as August 31, can be established.
- Unspent student materials allotments may be used to buy classroom materials for new teachers or those with additional needs.

March 4, 2019

Other Provisions

- Classroom instructional support funds are not transportable with the teacher if the teacher is transferred to another school.
- The State Examiners of Public Accounts may audit all expenditures for classroom instructional support and related documents by county and city school boards.
